Meeting with the
Market Merchants

The Darton
expedition was
founded to capture
Albore, but there hasn't
been any news about
them lately.

It's been
tough in the
market these
days.

Rumar has it that
their population has
stopped growing.

We need to get
strict guidelines
in place.

The kingdom has
to take responsibility
for this...

Thirty minutes later...

Who is doing something like this?

Why is the Auction House...?!

By the Gods...

LONE MAN

All of our merchandise is in the storage...!

Where the storage is...

Contact them...

The value of those items...

My merchandise...

We need to call for an emergency meeting...

The mayor!
Where is the mayor?!
Do something!!

Shin Wood

Flames...?

We were trying
to make it to the
bridge earlier and
suddenly...

Did they get caught up in the explosion?

I think I'm still affected by the shock from the explosion...
My head is spinning...

Kairuki must've protected me...

Kairuki, are you okay? We should keep moving.

Kakrak?

What's wrong?!

TREMOLE

Repeat...

TREMOLE

this is bad!!
very bad!!

there's a huge
amount of malevolence
gathering nearby!

and fast!

and that means Louis
Bourgeois will not be able
to hold out!

We must get out
of here this instant,
Lady Rosalind!

Huh? R-Royal?!

The bridge...

collapsed from
the explosion.

What about the
airship docks...?

THEY SAID WE COULD
KILL ANYONE OTHER THAN THE
VIP GUESTS, RIGHT?

What?

A chance to
play around like this
doesn't come very
often.

They both of them
are pretty. Don't you
think it'll be a shame
to kill them?

...uh-huh

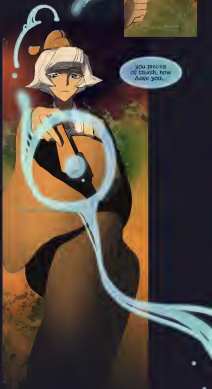

I know it was
a good idea to come
to this continent.

Let's have our
fun before the
others get here.

you prove
of truth, how
have you...

I've knocked
them out

FALL

Let's see where we are.

THUD

A black chain tattoo
around their wrist.

They had it, too.

What is that?

What in the
world is going on?

If you have sons, listen
If you have friends, think
Let me remind you of tonight's
tragedy, and those who have
caused this tragedy
against us!

Those who
have made slaves
of free men

LOVE MANGA!

We are the
Black Choir.

We are the messengers
of the God of Light, Lincoln.

Our target is
not the Kingdom

but the Toons, Richards, Lees,
Whites, Angermans and Pullins

These six families,
and those who seek to keep
the Slavery Law.

These people keep
tricking the good people,
trading them off like
livestock.

It is said that it's your
own fault for getting tricked,
or that you became a slave
because you're a fool.

...

That is not the case!
They are a thing evil and

The Slavery Law itself is
evil! Those people need to
disappear from this world
along with that law!

Thus, we demand:

One, stop making
the free people slaves.

Two, the named slave
merchant families will forfeit
their fortune and no longer
uphold the slave trade.

It is too
reckless.

That's nothing
more than a foolish
request that will be
ignored.

Then, Sam plans
bidding and release
the slaves

At the moment,
I have to consider the
auction items: smuggled
dragon artifacts...

and possibly
the capture of high
quality slaves...

But I don't
need to make a big
score for something
like this...

LONE MANGA!

Your goal is beneficial to me,

so I'll help you.

If you choose to
ignore our demands,

then we will kill every
human in Viceport for our
comrades who have fallen.

Good

LONE MANGA!

The ships are
burning... so are
the villages...

Please hurry...
back.

That's why all
these people are
stuck here...

Diana, can you
tell me Mr. Perry's
location? In the north?

What's up,
get the horses
we need...

she's hiding in
a closet on the
second floor about
fifty meters
away from us.

Lily seems,
you're not planning
on fighting them,
are you?

Lord Kusakabe can
no longer hold out in
these conditions!

**THEY'RE
BAD!**

**THE SLAVE TRADERS
ARE BAD BUT SO ARE
THESE PEOPLE!**

THEY...

**THEY HAVE THIS
KIND OF POWER...**

**YET THEY
CHOOSE NOT TO
PRECISELY CONFRONT
THEIR TARGET**

**AND CAPTURE
INNOCENT PEOPLE
INSTEAD?!**

LONE MANGA!

**THEY'RE
VERY BAD!!**

**I CANNOT
ACCEPT THIS!**

BANG!

Moryod: We've
lost contact with the
people inside!

The docks are burning...

We don't have
enough people to
send out because
of the fire!

It is an emergency!!

We need to request
for backup...

Dark's report.

Moryod, what the
hell are you doing?!

It's the first
time this has ever
happened...

All 100 people are safe from
the bombs. There is one contractor and
the broadcast seems to be controlled by
an exterior force. He's gathering people
at the auditorium.

I told Dark to keep
an eye on them during
the festival.

So this is what
he was after...

Someone
needs to take
responsibility
for this!

Who... Who
can solve this right
now... ?
